Did you know? Ronald House Run was originally a Red Shoe idea. Since then, RMHSNJ has run this event & carried it onto a successful 4th year!

This year we hosted the Red Shoe Brew Garden with products by Yards Brewing Co.! Runners entered for free but \$5 donations were accepted and Red Shoes were sold to raise additional funds for the House.

Our Team: Red Shoe Society had 32 team members in time for race day! Thank you to everyone who signed up and recruited additional members. Between race-day sales and team sign-ups **we raised over \$1,000!**

NEW! Red Shoe is now on Instagram & LinkedIn!
